

NEW TRANSFER or RETURNING TRI-C STUDENTS

New student orientation is strongly recommended but not required for transfer and returning students.

Step 1: Submit Transcripts

- [Please submit official transcript\(s\)](#) from all other colleges or universities you have attended and allow time for them to be evaluated before scheduling an appointment so the counselor can properly advise you on your courses at Tri-C.
- Monitor your evaluation of transfer credits in *my Tri-C space*, "Student" tab under the *Academic Records* heading on the right click "View Transcripts (unofficial)".

Step 2: Complete the Online NSO

- Please complete the [online orientation for transfer and returning students](https://launch.comevo.com/cuyahoga/939).

Step 3: Meet with Academic Counselor

- It is advisable to meet with a Tri-C counselor to discuss your transfer credits and academic program, once your transcripts have been evaluated. Please call (216) 987-5200 and select the Counseling Center on the campus of your choice.
